We believe this policy should be a working document; that is fit for purpose, represents the college ethos, enables consistency and quality across the school and is related to the following legislation:

- Human Rights Act 1998
- The Education (School Performance Information) (England) Regulations 2001
- Gender Recognition Act 2004
- Equality Act 2010
- Education Act 2011
- School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012

The following documentation is also related to this policy:

- Equality Act 2010: Advice for Schools (DfE)
- Race Disparity Audit - Summary Findings from the Ethnicity Facts and Figures Website (Cabinet Office)
- School Admissions Code (DfE)
- School Admissions Appeals Code (DfE)

Linked Policies:

- Anti-bullying
- Pupil Behaviour and Discipline
- Curriculum
- Sex and Relationships

We are committed to valuing diversity by providing equality of opportunity and anti-discriminatory practice for all school stakeholders. We work hard to provide good employment practice as we value and support our hardworking and conscientious school personnel.

We understand that the Equality Act 2010 combines and builds upon the existing legislation covering discrimination and promotion of equality of opportunity and replaces all previous policies and legislation relating to Race Equality, Gender Equality and Disability Equality.

We recognise that this Act brings together into one Act those areas now known as 'protected characteristics' that qualify for protection from discrimination such as age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

We believe that everyone has the right to be treated with dignity and respect. We are opposed to any direct or indirect discrimination against individuals or groups whatever their age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation.

We believe it is our legal duty under the Equality Act 2010 to minimise the distress and disruption to those

pupils and school personnel who are transgender by ensuring we eliminate all forms of discrimination, advance equality of opportunity, promote good relations between different people and to support the rights and needs of trans people to live their lives in their true gender.

We all have a responsibility to ensure equality and diversity permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We work hard to build strong and trusting relationships with our pupils and their families. We welcome the diversity of family lifestyles and work with all families and encourage them to take an active inclusive part in the life of this school.

We work closely with outside agencies to meet the diverse needs of pupils such as medical, cultural and dietary requirements.

We ensure all pupils are prepared for living within a diverse society with increasing global connections and controversial issues.

We have high expectations of all pupils from across the ability range by aiming to provide them with every opportunity to succeed by providing the highest standards of teaching and learning within a curriculum that is broad, balanced, differentiated, relevant and exciting.

We monitor the attainment, achievement and behaviour of all pupils in order to inform the planning and provision of support to individuals and groups of pupils. We want all pupils to achieve or exceed their expected targets.

We ensure equality and diversity is embedded in all areas of the curriculum. We work hard to give pupils opportunities to explore prejudice and discrimination, and to positively explore difference in relation to race/ethnicity, religion/belief, gender, disability and other protected characteristics. We encourage pupils to develop positive attitudes about themselves as well as to people who are different from themselves.

We ensure that all pupils have equal and full access to learning and that the curriculum is inclusive of pupils with special educational needs and disabilities, and pupils learning English as an additional language.

We aim to provide admission places for all pupils who express a preference to join this school. We consider all applications for admission as we are an inclusive school and we will not discriminate against any child or their family.

We work hard to offer equality of opportunity and diversity to all groups of pupils within school such as children:

- from disadvantaged backgrounds or those experiencing significant difficulties or stress
- from both or any gender;

- who have special educational needs or disabilities;
- who are looked after;
- from minority faiths, ethnicities, travellers, asylum seekers, refugees;
- who are young carers;
- who are sick;
- who have behavioural, emotional and social needs;

We are opposed to any member of the school personnel or others connected with the school being victimised, harassed or bullied by another based on assumptions about their status in the any of the aforementioned categories or on any other grounds. In addition, we will not discriminate against anyone because of their political affiliation, notwithstanding our duty to apply prevent in safeguarding.

In order to achieve the aims of this policy we will take measures of positive action to encourage or facilitate the employment or training of minority or disadvantaged groups, as we recognise that the avoidance of discrimination is not sufficient in ensuring that equality exists in this school.

We work hard to maintain a positive ethos where all members of the school community work well alongside each other developing positive working relationships.

We want pupils to come to school to enjoy the meaningful experiences that we offer and where they feel valued and special. We want them to have a sense of pride in themselves and their school.

We want school personnel to see the importance and derive a sense of fulfilment from their work in school but above all, we want them to feel valued by everyone in the school community.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views. We encourage the council to represent diverse voices.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010. An equality impact assessment is undertaken at the end of every meeting of trustees.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
